

MATH 65 Elementary Algebra

**HOMEWORK CHECKS**

It is recommended that you complete the on-line homework (MyMathLab) before attempting these problems. These problems can be found in the designated section of the textbook .

**INSTRUCTIONS:** Write your solutions to these problems on your own paper. Use a separate sheet of paper for each section. Write the problem down on your paper and – wherever feasible - **SHOW ALL STEPS** of your work/thinking when you write your solution. Each exercise will be individually graded. Partial credit will be awarded where appropriate. **Answers without supporting work will not receive credit. DO NOT** use a calculator to work any of these problems, unless stated otherwise.
